

30 day LOVE YOUR HOME DECLUTTERING CHALLENGE!

Hi there!

I'm so excited that you are joining me for the Love Your Home Decluttering Challenge!

Over the next 30 days, you will receive a daily email prompt. These will include one action that you can implement that day.

That's it!

If you can commit to taking action on each day, you will be amazed at what a difference you'll see in your home by the end of the challenge!

Before you start however, there are a few things you need to do:

- Whitelist my email address cat@catcoluccio.com so that you don't miss a day.
- Download my complimentary workbook **10 Hacks to Simplify your Life!** It will get you thinking about the life that you really want to create this year, and includes a cute little home cleaning guide at the back.
- Download my complimentary **Checklist** to print out and stick on your fridge door or in your planner to keep you on track for the 30 days.
- Choose a reward that you will gift yourself when you complete the challenge, and find a photo of it to stick in your planner, or on your fridge door next to the checklist to remind you every day!
- Take some photos of your home before you begin. You will feel incredible at the end of the 30 days when you compare those to your decluttered surroundings!

Here's to your decluttering success!
